This quote and the prices included herein are subject to being modified at anytime to consider any new tariffs, import taxes, surtaxes, duties and/or fees that may be imposed by any competent authority against any of the products listed in this quote. Applicable tax rates are subject to change without notice. This amount is for information purposes only. The tax amount will be calculated using the tax rate in effect at the time of invoicing.

1. Client's obligations

- The quantities and dimensions indicated in the contractual documents are approximate and it is the customer's sole responsibility to confirm them in writing so that the tenderer can confirm the price and start the order.
- The parties agree that the quote is offered on a budgetary basis only and is subject to change according to the modifications requested in writing by the client and according to changes in collective agreements in the construction field.
- The client must provide the tenderer with all the plans and specifications for the project and all the documentation necessary for the tenderer to prepare his quote. The client is responsible for all damage caused to him or the tenderer of any other third party if he transmits inaccurate information.
- The parties agree that the tenderer may not start an order before having received the approval of the drawings and that he is not responsible for the delays relating to the approval of the drawings or the delays necessary to correct and resubmit new versions of his drawings.

2. Delivery

- The parties agree that the delivery time is approximate and subject to change depending on the time of receipt of the purchase order, approval of the drawings, acceptance of credit and production times.
- If the client picks up the goods ordered, the tenderer's obligation to deliver is fulfilled on the date of pickup giving by the tenderer to the client. All costs related to picking up the merchandise are the responsibility of the client and the client has 15 days to take possession of the goods ordered (the "Pickup Time").
- The client becomes responsible for all the risks associated with the loss, total or partial, as soon as he takes possession of the goods ordered. The client is deemed to have taken possession of the goods ordered as soon as a delivery is made and accepted or if the pickup is by the client, at the time of pickup or at the end of the Pickup Time, whichever come first.
- If the client fails to take possession of the goods ordered within the Pickup Time, the tenderer may, at his option, cancel the order or claim total payment for the order.
- The parties agree that deliveries will be made in a closed truck (maximum 53 feet long). The parties agree that additional costs will apply for a delivery made with a platform trailer ("flatbed").
- The parties agree that one hour (1h) is allowed to unload a full truck ("FTL") and thirty (30) minutes to unload a partial truck load ("LTL") and that when the time allocated for unloading is exceeded by the client, the tenderer is entitled to compensation.
- The client is responsible for unloading the truck with its own equipment.
- When taking possession of the ordered products, the client must inspect the products and notify the tenderer in writing of any apparent defects or damage and record them in writing on the delivery note from the carrier. Failing to do so, the client is deemed to have waived all its remedies for defects or apparent damage.
- The tenderer cannot be held to respect approximate delivery times if he is prevented from fulfilling its obligation due to circumstances over which he has no control on like an epidemic, a strike, a war, a roadblock or a natural disaster.

3. Damaged Product Policy

a) Client shall, promptly following receipt of the order, examine the products and satisfy itself that it meets its requirements. To be valid, any claim in respect to damaged products must be made in writing within one (1) business day (the "Investigation Period") of the delivery date. Such written notice must include: a picture of the damaged product(s); and a signed packing slip indicating the damages observed. If client has not notified Metaltech that it has rejected any product as damaged by the end of the Investigation Period, then it shall be deemed to have accepted the products. If Metaltech agrees with client that any rejected product is damaged, Metaltech will issue a credit or ship the necessary replacement parts. Such credit or replacement parts shall constitute the sole and exclusive liability of Metaltech in respect to damaged product. This policy does not apply to product codes starting with the letter "E".

3.1 Ladders - Damaged Product Policy

This policy applies to all products in the Ladders Group – Metaltech Product codes starting with the letter "E".

- FTL Orders of Ladders - Metaltech will apply a 2% damage allowance ("Damage Allowance") to a FTL order in lieu of any damage claim. When a Damage Allowance is applied, Metaltech shall not bear any liability in respect to any damaged product. Damaged ladders must be destroyed, and it is the customer's responsibility to do so.
- LTL Orders including Ladders - Client shall, promptly following receipt of the order, examine the products and satisfy itself that it meets its requirements. To be valid, any claim in respect to damaged products must be made in writing within one (1) business day (the "Investigation Period") of the delivery date. Such written notice must include: a picture of the damaged product(s); and a signed packing slip indicating the damages observed. If client has not notified Metaltech that it has rejected any product as damaged by the end of the Investigation Period, then it shall be deemed to have accepted the products. If Metaltech agrees with client that any rejected product that is a ladder is damaged, Metaltech will issue a credit worth 25% of the value of the damaged ladders and this credit shall constitute the sole and exclusive liability of Metaltech in respect to damaged product. Damaged ladders must be destroyed, and it is the customer's responsibility to do so.

4. Installation

- The client agrees to install the products delivered in accordance with the specifications of the tenderer and the rules of the art.
- Any installation relating to the goods is the sole responsibility of the client and any damage caused by the installation will be the sole responsibility of the client at the tenderer complete exemption.

5. Warranty

- The parties agree that if the client makes one or more modifications to the products ordered, he automatically loses the benefit of all legal and conventional warranties.

6. Storage costs

- The parties agree that if the Tenderer must store the goods ordered and ready to pick up or to be shipped for more than thirty (30) days, a monthly storage fee of 25% of the value of the order is payable by the client.

7. Return and cancellation fees

- The parties agree that in the event of a return of standard goods, a restocking fee of 30% is payable by the client.
- The parties agree that the client is responsible for all freight costs relating to the products ordered and returned.
- The parties agree that no return or cancellation can be made for custom orders or for products that have been painted.
- If the order was to be canceled by the customer following the sending of drawings by the tenderer, the parties agree that the tenderer reserves the right to charge up to 15% of the total amount of the last quote submitted to the client.

8. Responsibility limitation

- Except in the presence of gross or intentional fault, the tenderer is in no way liable to the client for material damage caused in the performance of this quote, which includes in particular, but not limited to damage caused by delay in the preparation of drawings, or a delay in the manufacture or delivery of the goods ordered.
- The client will hold the tenderer harmless with regard to any claim made by a third party against the tenderer in relation to the goods ordered, both during and after the expiration of the contract, in capital, interest and legal and extra-legal costs.

9. Terms

Applicable payment terms will be established by Metaltech-Omega and its credit team. Depending on its need and if applicable, it is the client's responsibility to have previously communicated with Metaltech-Omega on this subject. Establishing the applicable payment terms is a final decision belonging entirely and solely to Metaltech-Omega. These will be indicated on the invoices that the client must pay. In the event of payment by credit card, additional fees corresponding to 2.3% of

10. General conditions

- a) By signing this quote, the client accepts all the terms and conditions mentioned therein.
- b) The budgetary prices in this quote are valid for a period of 72 hours.
- c) The tenderer and the client declare and acknowledge that this quote does not meet the general provisions of the contract concluded between the general contractor and the client and that consequently, the tenderer is not subject under the terms and conditions of the contract and is not a subcontractor within the meaning of the definition generally recognized in the construction field.
- d) If the terms and conditions negotiated, discussed or agreed prior to the signing of this quote are incompatible with it, the signing of this quote cancels and replaces all these negotiations, discussions and prior agreements.
- e) In the event of a discrepancy between the purchase order and this quote, the quote will prevail.

11. Applicable laws and competent tribunal

- a) This contract is governed by and must be interpreted in accordance with the laws of the province of Quebec and the laws of Canada applicable therein, without regard to the principles relating to conflicts of laws which may be imposed by the law of any other jurisdiction.
- b) Any dispute under the contract shall be submitted exclusively to the courts located in the province of Quebec, judicial district of Montreal, and the parties agree to submit to this jurisdiction.
